

Installing SAP GUI 6.20 Patch 57

DO NOT apply these patches on Windows 98 systems!

- NOTE:** 1. [Setup620_21-10001502.exe](#) (1.75 MB) and [Gui620_57-10001502.exe](#) (44.6 MB) need to download from AASIS website before the installation can start.
2. You must have administrative rights to install the patches on Windows NT, 2000, and XP.

Section 1: Download the patches from AASIS

- Open your web browser and enter http://www.state.ar.us/dfa/aasis/aasis_index.html in the address field.
- Click **"SAP GUI Patch 57 (October 2005)"** under the "ASC General Information" Section.

The screenshot shows the AASIS Support Center (ASC) website. The page has a blue header with the DFA logo and the text 'Arkansas Department of Finance & Administration AASIS Support Center (ASC)'. Below the header is a navigation bar with links like 'DFA Home', 'DFA Offices', 'DFA Online', 'Favorites', 'Taxes', 'Business', 'Child Support', 'Vehicles', and 'State Employee Services'. On the left side, there is an 'ASC Search' box and an 'Expandable Menus' section with links like 'ASC Home', 'Overview', 'Communications', 'ESS', 'FAQs', 'Training', 'Security', 'Useful Links', 'Functional Areas', 'Agencies', 'PBAS', and 'Web Site'. The main content area is titled 'About the AASIS Support Center' and contains text about the ASC's role. Below this is a section titled 'Quick and Easy Tips | AASIS Tutorials'. The 'ASC General Information' section is highlighted, and it contains a table with two columns: 'General Information' and 'Links'. The table lists various links, and the link 'SAP GUI Patch 57 (October, 2005)' is highlighted with a red box.
